Mr. Ralph Vinovich  
Tobacco Institute Political Action Committee  
1875 Eye Street Northwest  
Suite 800  
Washington, D.C. 20006

Dear Ralph:

I truly appreciated your attendance at the event held for me by the National Republican Senatorial Committee on November 15, 1995. However, my records show that we have not received your pledged contribution of \$1,000 for that event.

I understand that delays can occur in processing contribution requests. But it would be very helpful if you could check into this matter, and forward your contribution as soon as possible. I have enclosed another information card and reply envelope for your convenience.

Please feel free to contact me, or Valerie Wilson of my campaign at (502) 473-1302, if you have any questions. Thank you for giving this your immediate attention.

Sincerely,

MITCH McCONNELL  
UNITED STATES SENATOR

Legislation to eliminate voluntary grassroots involvement through political action committees, such as HR 2566, will make it harder for average Americans to contribute to campaigns and to run for office. The result will be more domination by wealthy contributors and more millionaires in Congress.

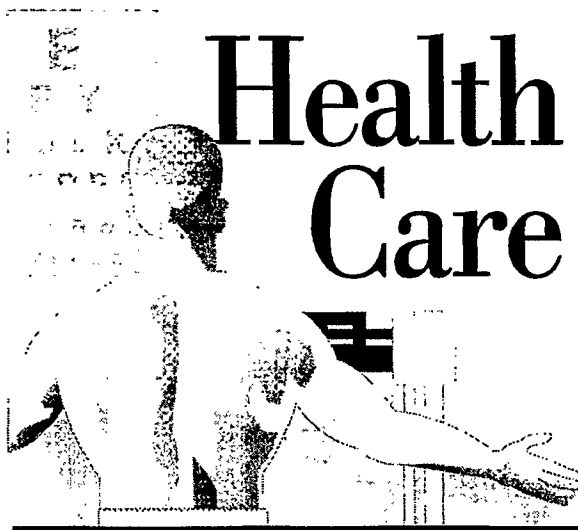

The next time you see these cosponsors of HR 2566 ask them this simple question:

**Why Do You Want More Millionaires in Congress?**
